Welcome

Welcome to English Conversation farming topics. I hope you will enjoy these interactive lessons about farming, culture and farming stories from the Bible. Having grown up on a wheat sheep farm in Victoria and a mixed cropping farm in New South Wales Australia, I feel a sense of pride to reflect on some of my early experiences on the family farm. Thanks to my mum Audrey, dad farmer George, brothers Geoff and Gaven and twin sisters Fiona and Melissa for shared farming experiences and memories. Also thanks to my wife Kim and three sons Jordan Jonty and Jesse for their love of animals and adventure everywhere we go.

Farming is a rewarding occupation for many reasons however at times you have to live in hope due to the many variables attached to the profession. Weather, fluctuating prices, interest rates, disease and pests and machinery breakdowns can make life very unpredictable.

Thich Nhat Hanh, a well-known teacher from Vietnam says

“Hope is important because it can make the present moment less difficult to bear. If we believe that tomorrow will be better we can bear a hardships today”.

I thank God for giving my family hope in Jesus even through the difficult times.

Matthew 9:35-38

³⁶ When he saw the crowds, he had compassion for them, because they were harassed and helpless, like sheep without a shepherd. ³⁷ Then he said to his disciples, “The harvest is plentiful, but the laborers are few
