# Welcome!

Welcome to English Conversation 'Occupations'.

We hope that these lessons will help your students to learn practical English for different type of jobs through interactive role plays and activities. Be inspired by also sharing about your own and different cultural history including encouraging stories from the Bible.

**King Bhumibol Adulyadej of Thailand** once said “We need to inspire and give each other confidence so that the work we do will be fruitful for the well-being of the people and the stability and security of the country”.

Thanks to many people for their help and participation contributing to these lessons including editing done by Yvonne Evans, Jin Pian, Rosemary Laing. Thanks to God and thanks to everybody.
